Get started for eSIM

- 1) Turn the router ON by holding POWER button.
- 2) Connect your device (smartphone/tablet/laptop) to the Elari_XXXX Wi-Fi network using the KEY on the router screen as password.
- 3) While connected to the ELARI_XXXX network (no internet connection required!), open the internet browser on your device, type http://192.168.0.1 in the address bar and press GO
- 4) Enter username and password (default login: admin password: admin) and choose language.
